SPRING 1910

If you don't know our Men's Clothing department, we hope you'll make up your mind to get acquainted with it this Spring. The Clothing is an incentive—and so are the prices. We are scrupulous regarding qualities and colors of the fabrics—and every detail of style and workmanship must be right.

Specialty stores-NO specialty store can be more careful-more particular than we are. The most intelligent and exhaustive comparisons between their Clothing and ours show that the only difference is a price-difference. We charge so much less than they do.

Take Men's Suits, for example: Worsteds, Velours, Cheviots and Cassimeres. Tried stuffs and true! The color mixes strike new chords-gray, brown, blue, taupe-old names, but the shadings and combinings are not old.

The Overcoats that balance on the light-weight notch are looking up these sunshiny days. WHAT STYLE D'YE WANT? Dressy Top Coat, Chesterfield model, the conventional type that's always just right for every occasion or the loose English Slip-ons?

Let us figure on your Spring wardrobe.

Men's Gloves 1st Pl. AMB St.

You should keep in close ouch with our Glove offerngs. Always economical. We keep the business growing by putting pressure on prices. Here are a couple of specials that challenge your quick at-

Men's Gloves, made with genuine gray and tan Mocha palms and lisle thread backs and fingers, clasps at wrists. They are just right for cycling or driv-

There are the dry facts— or rather the unadorned facts, because they are not DRY.

At the prices quoted we are displaying Scarfs made of fine, soft and beautiful silks, all the weaves, all the designs and all the colorings that men of taste like.

They are equal to the ones shown by specialty stores that charge twice as much as

Boys' Spring Clothing

When you decide to buy a Suit for the boy there are two things we'd have you bear in mind. Both are important to you-and to us.

First: Keep before you the fact that our stock of Boys' Clothing is as thorough as taste, experience, capital and a conscientious desire to have the best can make it.

With those influences active it would be next to impossible for anything to be wrong in respect to variety, styles, qualities, Second: Our prices. That they are lower than others charge for similar grades is pretty generally understood. Just a little painstaking comparison will bring out that claim so

clearly and strongly that the most skeptical will be convinced. Here are Suits that we have "shopped" on. The results are interesting:

BOYS' SUITS, with extra trousers, made of all-wool gray and Oxford cassimere; yoked Norfolk or double-breasted Derby model; knickerbocker trousers, sizes 6 to 17 years; our \$4.89

Suits inferior to these are sold elsewhere at \$6.50 BOYS' RUSSIAN BLOUSE AND SAILOR SUITS, made fine all-worsted serge, collar trimmed with braid and stars, of fine all-worsted serge, comme sizes 21/2 to 12 years, \$4.96

our price Same quality soid elsewhere at \$6.50. BOYS' SUITS, with extra trousers, made of all-wool cheviot,

cassimere or blue serge; four new models to choose fromcassimere or blue serge, loui little coats, plain or \$6.49 Derby back, sizes 6 to 18 years; our price

Special: Boys' Winter Overcoats

The Boys' Winter Overcoats that are still here are the qualities we sold up to \$9.74. They'll be closed out at \$1.98 to \$4.96. Don't you think you'd better buy him his next Winter's Overcoat now?

MONTHS in advance of Easter my designers and shoemakers have been busily engaged in creating and completing the most modern footwear in the season's newest shapes and styles.

You are invited to visit one of my stores and inspect the immense stock of Spring and Summer shoes now being shown, Easter models in the greatest variety, all the latest novelties, as well as the more substantial types. Whatever your ideal of a shoe, you will find it in my stores.

The excellent styles, easy-fitting and long-wearing qualities of W. L. Douglas shoes excel those of other makes. A trial will convince you. UNION MADE. Fast Color Fyelets Used. BOYS' SHOES, \$2.00 and \$2.50.
